

Table 2 - Percentage of Students in Top Two National Quarters

The DoDEA Community Strategic Plan has established the goal that 75% of students will perform in the top two national quarters (Percentiles 51-99) on the TerraNova by SY 2011. Highlighted values meet or exceed the DoDEA goal of more than 75% in the top two national quarters.

Please note the 2009 results reflect a different version of the TerraNova Multiple Assessments. Comparisons between 2009 and previous years are discouraged.
